Chinese colleagues from Tongji University and from Hua Yan Water visit German SIGN project partners

Scientists from the College of Environmental Science and Engineering of the Tongji University in Shanghai as well as representatives of the Hua Yan Water in Suzhou visited the German SIGN project partners. The varied and manifold program consisted of:

- Visit to the Water Technology Center ([TZW](#)) in Dresden followed by a joint end at the Dresden Christmas market
- Meeting at the membrane manufacturer [inge](#) AG company in Greifenberg with a visit to a waterworks with a INGE membrane installation in Kochel am See
- Meeting and laboratory visit at TZW in Karlsruhe for intensive scientific exchange
- Visit to the Sipplinger Berg waterworks on Lake Constance

同济大学与清源华衍水务中方代表访问 SIGN 德方项目单位

来自上海 [同济大学](#) 环境工程学院的科学家同僚以及来自苏州 [清源华衍](#) 水务公司的代表于 2017 年十二月赴德访问了 SIGN 项目的德方伙伴单位。丰富多样的访问行程包含以下内容：

- 访问位于德累斯顿的德国燃气与水工业协会水科技中心 ([TZW](#))，当天行程在对德累斯顿圣诞市场的参观中顺利结束
- 赴格莱芬贝格 (Greifenberg) 访问了膜工艺厂商 [inge](#) 公司，参观了位于科赫尔镇 (Kochel) 的一家配备了 INGE 牌膜过滤工艺的自来水厂
- 访问德国燃气与水工业协会水科技中心 (TZW) 卡尔斯鲁尔总部，参观实验室并进行科学经验交流
- 参观位于博登湖畔的兹普林格·贝格 (Sipplinger Berg) 自来水厂
