Suzhou Water Conservancy visits the TZW in Karlsruhe

In December 2018, a six-member delegation from the Suzhou Water Conservancy Bureau in Suzhou, China, visited the DVGW-Technologiezentrum Wasser (German Water Centre) (TZW) in Karlsruhe. Professor Tiehm, head of the department Microbiology & Molecular Biology at TZW, gave an overview of the SIGN project and the current work at TZW, the working group Environmental Mineralogy and Environmental Systems Analysis led by Prof. Norra from KIT presented its current research.

Afterwards, Jian XIA, Vice Director of the Suzhou Water Conservancy Bureau in Suzhou, gave an overview of his areas of interest and actually running projects. There was a lively exchange about the research activities, in which both sides showed great interest in future cooperation.

苏州水务局代表团赴德访问 TZW

2018年12月，由苏州市水务局组成的六人代表团，访问了位于卡尔斯鲁厄的德国燃气与水工业协会水科技中心(TZW)。TZW微生物学与分子生物学部门负责人Tiehm教授，介绍了SIGN项目的情况和目前在TZW开展的工作。来自KIT环境矿物学和环境系统分析课题组的Norra教授，介绍了其课题组的研究近况。

其后，苏州市水务局副局长夏坚就其研究的兴趣方向和工作项目进行了概述。本次访问双方在学术研究上进行了生动的交流，对未来的合作均表现出了极大的兴趣。
